PONIES (UK) CHILD PROTECTION (SAFEGUARDING) POLICY

Child protection is defined in the Children Act 1989 and legislation is in place to protect children from significant harm, abuse (physical/sexual/emotional) neglect and exploitation

Ponies (UK) takes its responsibilities to ensure that children competing at our events do so in a safe and protected environment

It is acknowledged that when children compete in Ponies (UK) competitions this is done so in the public domain and relationships between children and any officials is different to those of an instructor/trainer relationship. Therefore safeguards that need to be put in place do not need to be as extensive

In all circumstances parents remain accountable and responsible for the safety of their children and their own actions and behaviour towards their own and other people's children whilst competing in Ponies (UK) competitions

Ponies (UK) takes its responsibilities in this regard very seriously and requires all its paid employees, directors (Council Members), judges and officials who appear in the Ponies (UK) Rule Book, to voluntarily disclose whether they have any convictions, cautions or outstanding matters that would prohibit or make them unsuitable to be in the close proximity of children or vulnerable adults. (This includes criminal convictions that would otherwise be classed as 'spent' under the Rehabilitation of Offenders Act 1974). This declaration authorises the Society to request an Enhanced Disclosure & Barring Certificate on any person where any concerns are raised and to ban anyone who they deem to be unsuitable from membership of the Society.

At Ponies (UK) Championship Shows, the Association takes the safety and security very seriously and always contract with an appropriate security provider to minimise risks and ensure that everyone can compete in a safe environment

It is everyone's responsibility to report and take action, if they believe any child is being subject to abuse. In such circumstances, the Association will report these matters to the Police and relevant child protection agencies immediately upon receipt of the information. Information of this nature will not and cannot be kept confidential as the safety of child and young people is paramount

PONIES ASSOCIATION (UK) EQUAL OPPORTUNITY STATEMENT

Ponies Association (UK) values equestrian and membership diversity, and seeks to establish and maintain an environment within which competition is conducted, with fairness and equality wherein respect and tolerance for others is shown by all.

Ponies Association (UK) values all equines and seeks to ensure a non discriminatory showing environment with a "level playing field" for all.

The rules of Ponies Association (UK) and the Conduct of Officers seek to establish and secure equality of competitive opportunity in all equine spheres.

All members are considered of equal status and valued. None are given privileges or exemptions regarding Ponies Association (UK) rules and code of conduct.

Failure to observe any of the rules may result in disqualification of the pony concerned and the institution of disciplinary proceedings by Ponies (UK) against the person breaking the rules in accordance with Ponies (UK) Rules. In the event of disqualification of a pony after a cup, rosette or prize money has been awarded, such cup, rosette or prize money must be returned forthwith to the Show or Ponies (UK) as appropriate.

Any Member or non Member or Pony or Horse that is suspended for any period of time as a result of any disciplinary action taken by the British Show Horse Association, British Show Pony Society, Sport Horse Breeding of Great Britain, Coloured Horse and Pony Society or National Pony Society may not compete in a Ponies (UK) show or a Ponies (UK) Affiliated Show during the period of any such suspension unless the disciplinary committee in its absolute discretion decides otherwise after making such investigations as it deems appropriate.
